Dear Sir / Mam,  
The ICETPS-2025 is a global platform designed to foster collaboration, innovation and knowledge-sharing among researchers, scientists, academicians, and industry experts working at the intersection of physical sciences and other disciplines. This conference seeks to explore the transformative potential of interdisciplinary research and its application in addressing complex global challenges.

... About College ...

The objective of the college is to impart quality education to the unprivileged and underprivileged sect of the society from socio-economically backward area of the city. The Shikshan Prasarak Mandal was established in 1957 under the strong leadership of late Shri. Shankarlalji Khandelwal alias Kakaji Khandelwal in 1999, a momentous step in the golden journey of Shikshan Prasarak Mandal was the establishment of a senior college in the form of Shankarlal Khandelwal Arts, Science and Commerce College. Every year from KG to PG approximately 8000 students are admitted. In the past 63 years, the generations of students have contributed to various fields of studies and thus contributed to society. The college has 12 research centres, 18 supervisors, 04 scholars completed and 41 students registered for Ph.D. across various domains till date. 21 Minor research Projects and 2 Major research projects have been completed. In addition to this, 22 National Conferences and 06 International Conferences, various career-oriented courses, add-on courses and a certificate course on Swami Vivekananda Philosophy are conducted in college. The college is taking ceaseless efforts for all-inclusive development of students and staff. This conference will also be a mile stone in the long-lasting journey of the institution in the field of academics and research.

... Conference Highlights ...

Keynote Address, Technical Sessions, Interactive sessions, oral and poster presentations.

... Who Should Attend ...

Faculty members / Research Scholars / PG Students Academia, Government and Industry persons.

... Objectives ...

- To provide a forum for the exchange of ideas and insights across diverse fields of study.
- To showcase cutting-edge research and innovations at the confluence of physical sciences and other disciplines.
- To encourage collaboration and partnerships between academia, industry and government organizations.
- To address global challenges through interdisciplinary approaches.

... Theme of Conference ...

... Sub Themes ...

- Emerging Trends in Quantum, Theoretical Physics and Technologies
- Semiconductor and dielectric materials, Renewable Energy Sources
- Crystals, Nanomaterials and nanotechnology
- Biophysics, Drug Designing, Medicinal & Pharmaceutical Applications
- Energy, Environmental Pollution and Climate change, Waste Reduction and Management.
- Space Technology and Astrophysical Sciences, Communication and Instrumentation
- Pure, Applied Mathematics, Theory of Relativity and Mathematical Modeling
- Computational and Theoretical Approaches
- Optics, Photonics, Photovoltaic Applications and Electronics Automation
- Imaging, Sensor, Lasers, Crystal growth and applications.
- Education, Ethics, and Policy in Physical Sciences.
- Applications of Physics in Life Sciences (Botany, Zoology, Microbiology, Biochemistry)
- Biodiversity and Conservation, Animal physiology, Agricultural entomology, Crop Pathogens
- Bacterial Physiology and Metabolism, Food Spoilage, safety and Human Disease
- Geophysics, Earth Sciences, GIS, Remote Sensing,
- Computer Network security and Information Science and Cyber Security.
- Artificial Intelligence, Machine Learning, Data mining & Deep Learning.
- Organic, inorganic and complex molecular synthesis
- Spectroscopy, Physical chemistry, Synthetic and Green Chemistry
- Superconducting materials, Super capacitors.
- Biochemistry, Bioinformatics, Biotechnology & Forensic Science

... Call for papers ...

Reviewed and accepted research papers will be published in reputed International Journal of Scientific Research in Science and Technology (IJSRST) ISSN: 2395-602X online UGC Approved Journal No : 64011 with Impact Factor 8.627 & DOI: <https://doi.org/10.32628/IJSRST>
