### Invitation and call for participation

The field of AI and ML has witnessed rapid advancements in recent years, particularly through the integration of modern research tools and technologies. To foster interdisciplinary collaborations and exchange of ideas among researchers, academicians and students, it is imperative to create a platform for interaction and knowledge sharing. This proposed Multidisciplinary National Conference aims to bring together eminent scientists, faculty, research scholars, and students to discuss contemporary issues, share innovative methodologies, and explore future research directions. Organizing this event under the SPPU, QIP Scheme will strengthen academic and research activities in higher education institutions. The present conference is being organized at Jijamata College of Science and Art's, Dnyaneshwamagar, Bhende Tal. Newasa Dist. Ahilyanagar, Maharashtra would like to invite you to actively participate in the conference. We look forward to your gracious presence in this conference and look forward to your scientific endeavor with active participation.

### About the College

Our education society is located in the holy region blessed by Saint Shri Dnyaneshwar, who enlightened the world with knowledge and gave a message of peace to the entire world through the Dnyaneshwari. The founder of Shri Dnyaneshwar co-operative sugar factory and popular leader Late Honorable Shri Marutraoji Ghule Patil started – 'Marutrao Ghule Patil Education Society' in 1979 for the rural and project affected people. Jijamata College of Science and Arts was started in 1992. This institution provides educational facilities to various parts of society to support intellectual, economic, and social development and to foster a scientific attitude among students. College was reaccredited in the 5th cycle of NAAC with a B+ grade. Winner of Pune University's Best Rural College Award.

### About Bhende Tahsil Newasa

Bhende is a well-known town located in Newasa Tahsil of Ahmednagar district in Maharashtra, India. It is situated in a predominantly agricultural region and is recognized for its fertile land and progressive farming practices. The area mainly cultivates crops such as sugarcane, onion, groundnut, and various seasonal crops, contributing significantly to the local economy. Newasa Tahsil holds historical and cultural importance as it is closely associated with Saint Dnyaneshwar Maharaj, who composed the sacred Dnyaneshwari at this place, making the region spiritually and culturally significant. Bhende serves as an educational and social hub for nearby rural areas, providing facilities for higher education and skill development for students. The town is well connected by road networks to major cities like Ahilyanagar, Shirdi, and Chhatrapati Sambhajnagar, making it easily accessible for academic and professional gatherings. With its blend of cultural heritage, educational development, and agricultural background, Bhende offers a suitable and inspiring environment for academic conferences.

The nearby Bhende places-

### Shri Kshetra Devgad (24 km)

Devgad is a scenic and historically important location near Newasa, known for its natural beauty and peaceful surroundings. The area is popular for its fort remnants and water reservoir, attracting visitors who enjoy nature and historical sites. It is an ideal place for sightseeing and educational visits related to regional history and geography.

### Shani Shingnapur (24 km)

Shani Shingnapur is an internationally famous pilgrimage center dedicated to Lord Shani (Saturn). The village is unique because most houses traditionally do not have doors, symbolizing strong faith and trust in Lord Shani. Thousands of devotees visit this sacred place daily, making it one of the most spiritually significant destinations in Maharashtra.

### Sant Dnyaneshwar Mandir, Newasa (19 km)

Sant Dnyaneshwar Mandir is a highly revered spiritual site where Sant Dnyaneshwar Maharaj composed the holy scripture Dnyaneshwari, a Marathi commentary on the Bhagavad Gita. The temple holds great religious and cultural importance and attracts devotees, scholars, and tourists interested in Marathi literature and spiritual heritage.

### Madhmeshwar Mandir, Toka (17 km)

Madhmeshwar Mandir at Toka is a beautiful and ancient temple dedicated to Lord Shiva. The temple is located near the holy confluence of rivers Godavari and Pravara, offering a serene and picturesque environment. The temple is known for its architectural beauty, religious significance, and peaceful natural surroundings, making it a popular destination for pilgrims and visitors.

### Sai Baba Temple, Shirdi (80 km)

Shirdi is a world-famous pilgrimage destination located in Ahmednagar district of Maharashtra and is known as the holy abode of Shri Sai Baba. The Sai Baba Temple is one of the most visited spiritual places in India, attracting millions of devotees from across the country and abroad every year. The temple houses the sacred Samadhi (final resting place) of Shri Sai Baba, who preached universal values of faith (Shradhha) and patience (Saburi).

### Major Themes of the conference

1. Machine Learning and Deep Learning
2. Robotics and Automation
3. AI and Electronics
4. Data Science and Big Data Analytics
5. Artificial Intelligence in Agriculture
6. AI in Healthcare
7. AI and ML in Life Sciences
8. AI in Environmental Studies
9. AI in Education and Social Sciences
10. Natural Language Processing
11. AI and ML in Modern farming or Agriculture
12. AI in Green and Sustainable Chemistry
13. AI and ML in Experimental Physics and Instrumentation

### Abstract submission:

Abstracts should be data-oriented and reflect the paper's major findings. Abstracts for oral presentations should be within the themes. The abstract will be accepted only in electronic form via email. A separate Word file of the abstract, registration fee payment receipt, authorized relieving letter and a scan copy of the identity card must be sent to the conference secretariat before 1 March 2026. Abstracts will be published in an ISBN book.

**Email: [mncjijamata2026@gmail.com](mailto:mncjijamata2026@gmail.com).**

### Full-length paper for conference proceedings:

We invite authors to submit their original full-length papers, accepted for the conference and Article Processing Charges **Receipt Screenshot** and **Full length Research paper** by email before 3 March 2026. Manuscripts will be published in International Journal of Scientific Research in Science, Engineering and Technology, Open Access (Print ISSN 2395-1990, Online ISSN 2394-4099 with online DOI number) UGC Approved journal. Research paper accepted for any subject stream. Research Paper should have about 2500 words, including references, using Times New Roman font size 12 points and line spacing 1.5 on A4 size paper, in MS Word format, and should be sent to the **Email id- [mncjijamata2026@gmail.com](mailto:mncjijamata2026@gmail.com)**, Research Paper publication charges **850/-** for each article.

### Registration Fees:

Participants Details	Only Conference	Conference with Article Publication
Faculty Member/Delegates with only Abstract	1000 /-	1850 /-
Industrial Person with Abstract	1200 /-	2050 /-
Research Scholars with Abstract	800 /-	1650 /-
Only Participant/Students UG/PG	500 /-	1350 /-

### Important Dates

Last Date of Online Registration: 03 March 2026

Submission of Abstract: 03 March 2026

Last Date of Submission of Full-length Paper on E-mail: 06 March 2026
