About NCTTMDR-2021

A2Z EduLearningHub organizes a National Conference on Trends & Technologies in Multi-Disciplinary Research (NCTTMDR-2021) on 20th March 2021. This conference is a meeting place for sharing ideas, discoveries and inventions with their peers and experts, online. Conference will help academicians, research scholars, UG & PG students to provide them with the knowledge on recent trends and innovations in Commerce, Engineering and Management disciplines. All accepted papers will be published in International Journals with ISSN & Conference proceedings with ISBN.

Conference Theme/Area:

Commerce, Management, Engineering - *Computer Science & Engineering, Mechanical Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering*

Call for Papers:

Authors can now directly send their abstract as an email attachment to ncttmdr@gmail.com. Papers with maximum three authors are permitted. Abstract must be in MS word format and its size limited to maximum of two pages. Conference fee shall be remitted only after getting acceptance of abstract. To download abstract template visit: www.edulearninghub.com/conference

Benefits to the Authors
