About College

The institution was established by Hon'ble Shri. V. G. Patil in 1994 for social and educational reformation of the people in this tribal area of Vikramgad of Palghar district in Maharashtra.

Our Arts, Commerce and Science College was established in 2002 at Onda, Tal. Vikramgad. The main purpose and objectives of this College are to work for the tribal students for their socio-economic and educational upliftment.

About conference

The One-Day Interdisciplinary International e-Conference on New Horizon in Humanities and Basic sciences for sustainable development is a pioneering virtual event aimed at fostering collaboration and knowledge exchange among researchers, scholars, professionals, and enthusiasts in the fields of Applied Sciences, Commerce and Humanities for sustainable development. This conference serves as a platform to explore recent advancements, discuss emerging trends, and address challenges in these interconnected disciplines. This conference aims to bringing together leading experts and stakeholders across multiple disciplines, the conference aims to catalyze innovation, inspire collaboration, and drive sustainable solutions for the challenges of today and tomorrow.

Themes of the conference

- Nano and functional materials & Nano science
- Energy storage and conversion devices
- Sensors,
- Material synthesis, properties and characterization
- Coating and thin film technology
- Operation research and statistics: theory and application
- Fuzzy mathematics : Theory and application
- Graph and lattice theory
- Existence theory: Theory & Applications
- Mathematical Modelling
- Topics Related to Pure & Applied Mathematics
- Green and sustainable chemistry
- Pharmaceutical chemistry
- Ceramic and polymers
- Biomedical applications
- Plant and animal taxonomy
- Biodiversity, In-situ and ex-situ conservation
- Wetland and Phycology
- Mycology and Plant pathology
- Environmental science
- Innovations in Botany, Zoology, and Environmental science
- Interdisciplinary approaches to sustainability and conservation
- Economical Study on Tourism, Agriculture, Industrial and Service Sectors.
- Economical literacy & Sustainable development
- Literature & Language
- Finance, Accounting & Management
- Study in History, Geography & Politics

Other research articles related to the main topic will be accepted.
