## IJSRST

**Online ISSN: 2395-602X | Print ISSN: 2395-6011**

**UGC Approved Journal No : 64011**

IJSRST Scientific Journals were developed with the aim to assist researchers to send the full length paper and extend the full form of the paper. The journal aims to publish a broad ranging open access journal Fast and efficient and rapid publication High visibility, Expert peer-reviewed research create an innovative information of the human dimension to disseminate and has an International reputation

## Theme for Engineering:-

### Track 1 Mechanical Engineering

.CAD/CAM

- Thermal Engineering
- Production Engineering
- Automobile Engineering
- Metallurgical Engineering

### Track 2 Computer Science Engineering

- Digital Image Processing
- Computer Network & Security,
- Mobile Communication
- Data Mining And Warehousing ,
- Real Time Processing

### Track 3 Electrical Engineering

- Wireless Power Transmission
- Nonconventional Power Generation System
- Eddy Current Brakes
- Electric Power Line Network
- Digital Testing Of High Voltage Circuit Breaker

### Track 4 Civil Engineering

- Structural Engineering
- Environmental Engineering
- Construction Engineering
- Transportation Engineering
- Civil Engineering Materials

### Track 5 Electronics & communication Engineering

- Optical Communication

- Vlsi Design & Embedded Systems
- Wireless Communication & Networks
- Control System & Modeling
- Signal & Image Processing
- Soft Computing

## Guideline for paper submission:-

1. Authors are requested to send the full length paper not exceeding 7 pages of A4 size as per the IEEE format
2. Contributed paper should be based on original work will not have been presented / published elsewhere
